

SPONSORSHIP APPLICATION

The Kristin "Kritt" Kearins Memorial Scholarship Fund

In September 2008, we lost a shining example of all that is good in the world. Andover native, Kristin "Kritt" Kearins was tragically killed in a bicycle accident. She had a heart of gold and an enthusiasm for life that was infectious. Kritt was a top diver and gymnast at Andover High School. As captain of both teams during her senior year, Kritt was an amazing role model and leader. She always worked hard whether on the diving board or the mat, and while she had a competitive streak, she knew the importance of having fun.

The Kritt Kearins Memorial Scholarship Fund has been established by Kritt's family and friends to permanently endow a scholarship in her memory. It was created to recognize a student athlete who portrays outstanding sportsmanship, team

spirit and leadership, something Kritt was known for. Endowment of the scholarship will insure our hope to keep Kritt's spirit alive and benefit a deserving athlete with the same qualities.
